

FIRST SHOTS

AN INTRODUCTION TO HANDGUN SHOOTING

This is a beginner's level class for individuals interested in learning the basics of handgun shooting in a safe and controlled environment.

Classes are held on the first and third Saturday of each month from 9:00am to 11:00am.

The class fee is \$25 and includes classroom instruction time, use of a .22 caliber handgun, .22 caliber ammunition, eye and ear protection, target, and time on the range.

Each class has a limit of 6 students. Minors must be accompanied by a parent or legal guardian and the MVSG release form for minors must also be completed before shooting.

In this class, you will be taught:

- The basic parts of a revolver and semi-automatic handgun.
- Proper grip and stance.
- Correct sight alignment.
- How to load and unload a handgun.
- Basic range safety and gun handling rules.

Pre-registration and payment required in advance.
